Summary

I am currently studying Software Engineering at the University of Leicester, with proficiency in Python, JavaScript, jQuery, HTML, CSS, and MS Access. I am passionate about solving complex problems and continuously improving my coding skills. My experience as a technician has honed my problem-solving abilities, attention to detail, and communication skills. I am eager to secure a Software Development internship or apprenticeship to further develop my skills and contribute to innovative projects.

Technical Skills

- Programming Languages: Java, Python, JavaScript, C#, HTML, CSS
- Frameworks/Libraries: jQuery, Bootstrap
- Databases: MS Access
- Soft Skills: Problem-Solving, Communication, Attention to Detail, Teamwork

Professional Experience
